3 MEN SLEEPING ON RAIL- WAY TRACK KILLED BY TRAIN

Fort Worth Texas, April 15. Three men, Elmer Thrill, John Shumate and Ed Riggs, all of Columbus, Ohio, were killed late last night while sleeping on the tracks of the Texas and Pacific railroad near Trimble, Tex., when a freight train passed over their bodies. A fourth member of the party, Edward Minor of Port Henry, N. Y., escaped death by choosing the path beside the tracks as a place to sleep.

The men were bridge workers seeking employment Minor said here today. "We were going to a ranch in Arizona," he said. "Riggs, who had already made four trips there was our guide. He told us to sleep on the rails head on one and feet on the other. The jar of an approaching train would awaken us, he said."

But Minor refused to sleep on the rails, picking a place on the right of way.

\$40 BILL IS SEEN AS OLDEST PAPER MONEY IN NATION

N. R. Adams of Shreveport La., has a \$40 bill, which may be the oldest piece of United States paper money now in existence. It is dated 1778. It is about two and three-quarters by three and five-eighths inches, printed on heavy white paper, now yellowish with age. The front side bears a circular device nearly twice the size of a silver dollar, in the center of which is an altar, surrounded by thirteen stars, with an eye in the upper rim and the word "Confederate" in capital letters around the lower border. The bill bears these words:

"This bill entitles bearer to receive forty Spanish milled dollars, or the value thereof in gold or silver, according to a resolution passed by Congress at Philadelphia, September 26, 1778."

The signatures are John Helm and J. Gray. The number of the bill is 225260. Around the bill there is a heavy black border with the words: "The United States Continental Currency. Forty Dollars."

Mrs. Sallie Paine left Saturday for Abilene in response to a message saying her daughter, Mrs. Miller had undergone an operation for appendicitis. She was doing nicely at last report.

LONE SOW HAS 75 PIGS IN ONLY TWO YEARS

(Hereford Brand)

What just one good sow can do in the way of reproduction of her kind and in adding to the family bank roll has been demonstrated by a registered Duroc Jersey owned by T. T. McDermott, one of Deaf Smith county's progressive farmers.

This sow is three years old and has borne no less than seventy-five pigs in the last two years. During her first year she brought in thirty and in the past eleven months forty five. She has raised twenty-nine of the last forty-five pigs.

A man given to statistics can do some fancy castle-building with this sow as a ground work for his figuring.

According to the Albany News the city of Albany is on the verge of losing the Presbyterian Orphanage which was established in that city a few years since, the proposition now being to move the institution to Dallas. According to the News, the people of Albany, unassisted, erected the building, secured the grounds, and paid for same, or the city donated the entire premises for the benefit of the home, and were permitted to advance to the present stage without interference by any other sympathetic (?) sister cities, nor their assistance. But, since the home has proven to be of worthwhile importance, and the good people of Albany have learned to love the little inmates and pride the institution beyond estimation, now comes the city of Dallas with a proposition to move the home to that city.

"The stock of general merchandise formerly belonging to the Wm. Connolly Co., at Hamilton, which store was closed a few months ago, was re-opened Saturday of last week, and the business will be conducted in the future under the firm name of the Maxwell Co., P. L. Maxwell, formerly manager of the Connolly Co., being in charge of the new company. Mr. Maxwell is well known throughout this section of the state, and is one of the very best business men to be found, besides is a most excellent character, and his many friends in Comanche wish him success with his business in the future.

MEETING OF 6TH DISTRICT OF FEDERATED CLUBS

The Sixth District of the Woman's Federated Clubs met in Ranger April 14-15. Miss Minnie Cunningham of Ranger is president and presided over the convention with the grace and ease of her unusual ability. Miss Cunningham has been recognized by the State officers of the Woman's Federated Clubs as one of the foremost Club Women of the State and was spoken of by one of the State officials as "The Woman of the Hour."

The first courtesy tendered the Federation was the dinner Thursday by the 1920 and Symphony clubs. Mrs. Hagerman was toast mistress, toasts were given by Mrs. K. M. Collier, president of the Rotary club. Miss Cunningham outlined the places of the Federation and Mrs. Reagan of Cisco who spoke of Woman's responsibility as citizens. Afterwards a very wonderful musical program was given at the Baptist church by three artists. Ranger seems blessed in having some very unusual musical talent, who gave generously of their ability to render the programs attractive.

Friday morning the convention was formally opened by Miss Cunningham. Reports of officers showed progress along all lines. Forty towns are represented in this District, with seventy-three clubs. Something over 1,800 women. There were 105 women present. The individual club reports showed diversified efforts—almost all clubs were doing civic work, beautifying the towns with roses, trees and vines, making parks of vacant lots, and encouraging tourists parks. Many were aiding the schools in sundry ways and almost all had assumed the duties of citizenship. During the meeting Miss West, State Librarian spoke on the great need for libraries and told of the assistance the State library gives the blind.

Dr. Carrie Weaver Smith, President of the Girl's Training school at Gainesville made a very dramatic arraignment of Texas and asked for a school for delinquent girls. Dr. Smith has the faculty of arousing interest and really says very true things.

Friday the Rotary club entertained the club ladies with a dinner. A program of toasts and music was highly enjoyed afterwards at the church were the three notable addresses of the meeting. The President's message by Miss Cunningham was characterized by a clarity of vision and beautiful spirit of uplift and service.

The State Presidents message by Mrs. Lee Joseph was a clarion call to duty as citizens. She said that Gov. Neff really wished to do the right thing; that the pressing need of the government is education and that women must fight for lost spirituality in politics.

The program was concluded by an address by Dr. Grouett, "The Relation of Community and the Citizen" which was almost an epic on civic righteousness. He said "The power of woman is rising like a tide. Be ready to meet the challenge of the future."

Saturday morning reports were continued and Mrs. Maggie Barry made a very convincing talk on the Educational Problem. She pleaded for a stable financial support for schools and for the passing of the mill tax. She said she had hoped never to see the schools independent of the legislature nor did she wish to see them entirely dependent on it.

Mrs. W. E. Spell of Waco made a very striking appeal for the minimum wage law, explaining the injustice of the sliding scale of wages.

One of the most attractive talks on the entire program was that of Mrs. Phoebe K. Warner on "College Credits for Club Women." She told of the women who are struggling for a living, "some with husbands dead and gone." She appreciates the house woman's problem and has a broad love of humanity, so her speech was characterized by a homely philosophy that was very appealing.

One of the features of the program was the convention voting to send Miss Cunningham to the biennial which convenes in New York June 20-29, as the guest of the 6th District. This was a very remarkable distinction, but one that was well deserved, for the encomiums pronounced upon Miss Cunningham were very unusual. One of the State officers said she was the most efficient executive in the State.

The Convention meets in Midland next year.

BURSTING INTO A REALITY IN COMANCHE.

Boll Weevil League Opens Monday, May 1.

JUST AT THE MOST APPROPRIATE TIME

There was a well attended meeting of the enthusiastic citizens held at the Owl Confectionery Wednesday evening for the purpose of organizing a base ball team for Comanche, and with out delay the assembly was called to order and the first motion was to elect a president, which duty was dealt to Mr. Bud Cauley, and the meeting then proceeded, and the selection of Mr. Bert Speed as Sec'y-Treas., followed, and the appointment of all committees necessary was made.

It was decided to organize the players into the old and county-wide favorites, whose exhibition of the national sport in the past has been of such exciting interest that they might be termed antagonists, the Boll Weevil League, who will play a series of games for the benefit of all the players, and the town, preparatory to selecting a regular team for the summer, who will accept all challengers, at home and abroad, and who, it is hoped to develop into a real base ball team, one that our town may well feel proud of.

It was decided that the very modest sum of 10c admission would be charged for the series of games to be staged by the Boll Weevils, or as a means of further economy, the lovers of the sport might be permitted to attend at a less cost, season tickets will be placed on sale at proper places, and offered by a committee appointed at the meeting, which may be had for the sum of \$1.00, which entitles the one to whom issued to attend every game during the Boll Weevil League's existence.

Other announcements of the progress of the base ball situation will be published from time to time, and if the citizens of Comanche and surrounding territory really want a live ball team this summer they may have such by showing the proper enthusiasm to maintain the kind of team they want. The team will be conducted for the purpose of furnishing amusement for the public during the summer, a class of sport that cannot be excelled by any other agency, and many good games will be scheduled during the season.

The Texas Printing Trades Council met at El Paso Friday and considered plans for the establishment of a state printing office for printing the state's free school text books.

Mrs. and Mrs. Calhoun, and Mr. and Mrs. Kirshman of Hamilton visited their parents, Mr. and Mrs. Dodson and family Sunday.

REDUCED FREIGHT RATES ON CATTLE EXPECTED SOON

Owing to Conferences between cattle men and railroad heads that have been in progress for some time, a considerable reduction in freight rates from Texas to Southern points may be made in the next few days.

SETTING HEN FOUND FLOATING IN FLOOD

Pittsburg, Kan. April 11.—Wilbur Pillsboro of Weir, several miles south of here, while watching the overflowing waters of a creek near his home yesterday saw a covered box floating into shore. Upon examination he found a setting hen within, hovering over fifteen eggs, untouched by the water. He intends to let the hen complete the hatching.

CELEBRATES 97th BIRTHDAY

Some friends and relatives of grandpa, I. L. Norris, celebrated his 97th birthday, Monday, April 17th.

Everyone carried a bountifully filled basket and met with grandpa in the pretty green pasture of his old home place on the east side of Sipe Springs, Texas and spent the day.

This place was Grandpa's home for 30 years. He now resides with his son, G. L. Morris at Comanche.

He has 9 living children, the youngest being 48 years old.

All his children were present at the celebration, except one son, E. H. Morris of Sandia, Texas and a daughter, Mrs. R. H. House of Okla. Tex.

Those present at the celebration were J. W. Morris of Mansfield, Ark.; G. L. Morris of Comanche, Mrs. Joe Basham, Carbon, Texas, Mrs. S. M. Williams, Lingo, New Mex; Mrs. B. F. Dawson, Greenwood, Ark.; Mrs. W. F. Bransel, Rising Star, Tex., and Mrs. Frank Trail, Farmington, Ark.

Grandpa has 54 grandchildren, 194 great-grandchildren, and 33 great-great-grandchildren, living.

Flower boxes, trellises, stands, ironing boards, rat proof chicken coops, brooder and hen houses. Leave orders at Higginbotham Lumber Yard. Phone 114 35-38p

MRS. HAGGARD WINNER IN "UNCLE PERKINS" CONTEST

The judges in the Uncle Perkins Brown contest awarded the prize to Mrs. G. D. Haggard of Comanche. The verse which won the prize was as follows:

"It was the initial visit of our Uncle Perkins Brown
To the city of Comanche, which he found a high class town;
He was so enthusiastic in his praise of what he found,
That now Aunt Sue declares she too, will take a look around."

The identity of the different contestants was unknown to the judges who made the decision.

There was a total of about 60 completions of the verse entered in the contest.

One which it looked for a while might win the decision of the judges was by W. H. Burton.

Several others came in for very favorable mention, both in the thought expressed and the construction. The list is too long to mention in its entirety.

The judges stated that the winning lines were awarded the prize because that in addition to their appropriateness otherwise they contained a more perfect and "catchy" rhythm than any others submitted.

FREE ENTERTAINMENT TUESDAY EVENING

There will be a free entertainment given at the High School auditorium Tuesday evening at 8 o'clock, by Miss Lawson's Domestic Science Class.

The general public is invited, and especially the Parent-Teachers Association and Study Club are urged to be present.

The Domestic Science Class has made wonderful advancement under the direction of Miss Lawson, and it will be of interest to the entire community to attend the entertainment

Reports from over the state are to the effect that rabbit drives are still in order and on a much larger scale than heretofore conducted. The recent rains have produced all kinds of crops that were considered lost to come out to a healthy stand, which has also converted two words of the English language overnight. The rains knocked the "I" out of Growing leaving the advantage in favor of crops and the ranges, and the most excellent rains which have followed during the past few days places this section of the state in the very front ranks of prosperity.

THREE MEN HELD FOR SHOOT- ING OF RAILS FARMER

Fort Worth, Texas, April 15.—Following the mysterious shooting of G. L. Payne, farmer, at Ralls Texas, Saturday, three men have been arrested and are now being held in jail on suspicion. Payne is in a sanitarium at Lubbock with bullet wounds in his body.

According to the generally accepted version in Ralls, three men in a closed car, from which all marks of identification had been removed, fired the shots. A similar attempt was made on Payne's life three weeks ago, it is thought by the same parties.

When arrested the men had two shotguns, two pistols and a high powered rifle in their possession. According to Sheriff J. C. Terry of Plainview, the men refused to make any statement other than to deny their guilt.

CITIZEN OF FALLS COUNTY WAS FIRED ON 100 TIMES

Marlin, Texas, April 14.—Charley Tusa, aged 40, is dead, W. P. Etheridge, 60, is under bond and several others are expected to be arrested as soon as results of the shooting of Tusa and the subsequent bombardment of Etheridge's home at Highbank, 12 miles from here. Etheridge is said to be a former Texas Ranger. According to reports reaching here, Tusa was shot and killed during an altercation with Etheridge Thursday morning. Friends of Tusa stormed the Etheridge home when they learned of the killing and fired about 100 shots into the structure. Thinking that Etheridge had been killed by the fusillade of bullets, they left. Officers arrived a little later and found him barricaded in his home, armed and awaiting a further attack. He had only four bullets which he evidently intended to keep for use in the event his assailants succeeded in breaking into the house. Etheridge bought a farm in a colony in Falls county, made up from Brazos, Milam and Falls county and he was not wanted it is said. Mrs. Etheridge who was in the house was not hit by the bullets and went out in the open while Mr. Etheridge remained in the house.

DUELISTS USE FISTS TO DETERMINE WINNER

Denison, April 17.—Mike Patti and E. O. Fredericks can owe their lives to each other's poor marksmanship, according to the police who arrested both men after a pistol battle and a fray Monday.

Standing within ten feet of each other, the two men fired several shots at each other, none taking effect according to Chief of Police Russell. Tossing their empty guns to one side the combatants then resorted to the natural weapons, their fists. Patti bit off Frederick's finger at the first joint, the police said. Neither would state the cause of the fight.

For some weeks there has been considerable dissatisfaction prevailing in the vicinities of Eastland, De Leon and Dublin about the passenger service afforded the public by the Katy railroad into the new oil field. Pioneer all efforts to improve the service being without avail. Different committees have frequently visited officials of the company, or representatives thereof, but little or no consideration has been shown them and their propositions have been given little attention, but determined not to be outdone in the matter the citizens of Eastland or those interested in the Pioneer field, have arranged to operate a stage coach from Eastland to the new field, and from all reports the Eastland people will not be further burdened with the annoyances charged against the railroad in making visits to Pioneer as they wish.

Mrs. M. A. McCrary returned from Dallas Thursday where she attended the 22nd annual convention of Texas Outdoor Advertising, which was held April 10 and 11 at the Adolphus Hotel of which order she was elected for third term. In a contest in which she entered a poster, for poster plant in the State she won second prize, Horton winning first, Comanche second, and Lubbock third. Many courtesies were extended them during their stay, among them being a dinner at the Adolphus Hotel and a luncheon at the Oriental Hotel given by Dallas Advertising League. Tickets were also given by the management of the Palace and Majestic Theatres.

NOTICE OF CONSTABLE'S SALE

THE STATE OF TEXAS,
County of Comanche.

By virtue of an execution, issued out of the Honorable Justice Court of Precinct No. 1, Comanche County, on the 16th day of March, A. D. 1922, by the Justice thereof, in the case of A. B. Haworth versus Mrs. L. E. Adams and J. Herman Adams No. 3184, and to me, as Constable, directed and delivered, I will proceed to sell for cash, within the hours prescribed by law for Constable's Sales, on the 2nd day of May, A. D. 1922, before the Court House door of said Comanche County, in the town of Comanche, Texas, the following described property to-wit: Seven acres of land, part of J. Howland Survey and being part of 130 acres subdivision of said survey conveyed by E. M. Brown to W. T. Adams by deed dated May 27, 1891 and recorded in volume 28 at page 41 of deed records of said Comanche County, and being all and the same land set apart to said J. Herman Adams in a partition suit in the District Court of Comanche County, Texas, in cause number 5006 on the docket thereof wherein L. E. Adams, et. al. were plaintiffs and Clara Burgess and husband were defendants, and known and described as lot or block number 7 in the report and plat thereto attached which report of the commissioners appointed by the court to make said partition is on record in the minutes of said district court in volume "Q" pages 50, 51 and 52, which report and the records thereof are hereby referred to and made a part hereof for all purposes, and levied upon as the property of defendant J. Herman Adams, to satisfy a judgment amounting to twenty five dollars and costs of suit, against J. Herman Adams and in favor of A. B. Haworth.

And also the following described property to-wit: Thirty acres of land off the South end of block or lot number ten (10) set apart out of said 130 acre tract in said partition suit, to Mrs. L. E. Adams, and being in a rectangle the South line of which is parallel with the South line of said 130 acre tract and extending clear across said 67 acre block number ten and extending North far enough from said S. line to make the 30 acres here-in described, levied on as the property of said L. E. Adams, to satisfy a judgment in favor of A. B. Haworth against said L. E. Adams for the sum of \$27.88. Said lands being situated in Comanche County, Texas, about 15 miles nearly Northwest from the town of Comanche, Texas, and commonly known as the Adams place.

RAILROAD MAN SAYS HE HAD A NARROW ESCAPE

Was Going Down Hill Fast From
Stomach Trouble and Could Hardly
Stay On Job. Like A New Man
Since Taking Tanlac.

"I feel I had a narrow escape and I am strong for Tanlac now," said J. C. McDaniel, well-known railroad man, 2204 Staples St., Houston, Texas.

"For three or four years I had a chronic stomach trouble and was going down hill all the time. I was habitually constipated and suffered with terrific spells of headaches day and night. My work was heavy and while I didn't feel equal to it I managed to keep going by force of will, but I was despondent and discouraged all the time.

"Tanalac has done for me far more than I expected. I haven't a trace of stomach trouble or indigestion now never feel the need of laxatives any more and, in fact, I feel like a new man."

Tanalac is sold in Comanche by the Hamilton Drug Co., and leading druggists. (adv.)

BRIAR GROVE

The health of our community is improving at this writing.

Mr. and Mrs. Walter Bear of Mercer's Gap visited their parents Mr. and Mrs. Bob Isham Sunday.

Miss Elberta Isham of Cross Roads community visited friends and relatives here last week.

Mrs. Alta Mae Whitehead of Hasse visited home folks from Saturday until Tuesday.

Miss Fannie Sturkie of Dallas has been visiting her sister, Mrs. Bob Isham.

The Briar Grove school closed last Friday with a picnic on Indian Creek.

We had an Easter egg hunt, dinner on grounds, lemonade and other amusements, which were greatly enjoyed by all who were present.

Miss Edith Roberson spent Monday night with the Misses Honer's of Gum Springs.

Miss Opal Whitehead of Hasse spent Monday with Miss Gladys Howell.

A number of our singing class attended the singing at Stephenville Sunday.

Miss Gladys Howell was in Hasse Tuesday.

The young people enjoyed a party at Mr. Nelms Saturday night.

Grandma Isham is spending this week with her children in Comanche.

The singing class of Robersonville will sing at Indian Creek Friday night and they are now practicing for a concert at Robersonville later.

All kinds of field seed, Cane, Maize, Millet, Darso and Sudan can be had from our full stock of planting seeds. Todd & Jennings. 337

FLEMMING.

The farmers have a smile from ear to ear for they are getting plenty of rain and the crops are looking fine. what they have planted and up.

We had another big rain and some hail Sunday night, but not enough to amount to anything.

We had a good Sunday school and there was a good crowd out. Everyone came to our Sunday school, so we can obey God's will. Every body ought to go to Sunday school.

There was a tacky party at Mr. and Mrs. Bud Rinehart last Friday night and a good crowd there and a all had a nice time. Mr. John Rinehart and Miss Shorty Couch won the prize.

There was a good singing at this place Sunday evening and a good crowd was there to help us sing, and hear Bro. Scott preach an interesting sermon.

There is going to be an all day singing and dinner on the ground Sunday the 23. So every body come and bring your books and a box full of grub, so that we all may enjoy a good Sunday and singing all together.

Mr. Due Cox and sister were out at singing Sunday evening.

Mr. and Mrs. O. M. Bean and family visited Mr. and Mrs. McNew Sunday.

Miss Zelma McNew visited Miss Jones Saturday night and Sunday.

Mr. Whitley Mayfield was at Indian Gap from Friday until Sunday.

FIGHTING THE WEEVIL ARMY

The problem of fighting the boll weevil seems to be in some respects much like that of checking an army. The difficulty is to cover the whole front at one time, so as to check the advance effectively. Presumably, if the advance could be checked the enemy could be destroyed, but eradicating the weevil here and there does no permanent good if he is spreading in other places. Thus the Government can not well put a large enough army in the field to check the weevil all along this advancing front at once by hand spraying. The individual planter does what he can, but what between price of cotton he often lacks the funds to do the work. One planter may spend \$15 an acre in intensive spraying and clean the boll weevil out of his farm. But his neighbor may be a poor tenant farmer who can not afford to spend even the \$6.00 an acre which is necessary if any crop is to be made at all. So the weevil checked at one place, advances at another.

The plan sketched by the Government calls for a series of airplane stations reaching clear across the cotton belt on the boll weevil front. When you realize that a single plane flying across this front might destroy the weevil completely over a swath 600 feet wide, and when you reflect how much time and how many men it would take to do this same work by hand, you get some idea of the possibilities of the new method. But it has its difficulties, too. The spraying, to be effective, must be done at night, when the dew is on the plant, it seems to be prepared and willing to undertake the work under these conditions.

Then, again, the expense will be heavy. Calcium arsenate costs about

10 cents a pound, and enormous quantities of it would be necessary for this lavish method of distribution. There is no doubt that the work would far more than pay for itself in the cotton it would save.

Here, as in so many other ways, the clumsiness of modern industry and government, it must be paid for by the taxpayer. But the taxpayer feels that he is already being taxed enough, chiefly to keep up the army and navy and pay the war debts, and if he has an ounce of sense he knows that the saving of this cotton is not at all sure to reduce the price of a cotton shirt to him. As the planter, he wants the boll weevil exterminated badly enough in order that his whole living may not be eaten up by the pest, but it is complete destruction does not mean any certainly increased income to him. In fact, a large cotton crop is apt to mean a low cotton price for the farmer, so that he really can not afford any extra large investment in this work.

The Chief enjoyed a visit Saturday from W. N. (Uncle Bill) Adams of Brownwood, who accompanied his daughter to Comanche to attend the District Track meet, while Uncle Bill spent the day most pleasantly visiting with his old friends in our town. He is one of the oldest citizens in this section of the state, having lived in Comanche and Brown counties since back in the 70's, and served as Sheriff of Brown county, when, as he says "there was sure enough something for such an officer to do." It was back in the days when the out laws and roughans of Comanche county were held in check by the very able efforts of Uncle Dave Cunningham, who is still an honored citizen of our town, and Mr. Adams paid a high tribute to Mr. Cunningham both as an officer and as a citizen, adding that he was one of the old faith, and believed in flowers for the living, for a blackjack limb on our grave would do as well when we are dead, Mr. Adams carried a walking cane made of whale bone which was secured by his son in South America while doing radio service in that country, and who presented same to him when he returned home, and which is prized very highly by Uncle Bill.

John Clark Ridpath, the great historian, in an article in the Arena of April, 1898, on the Government of this country from the adoption of the Constitution, speaking of the abuses of governmental power, said: "This 'divine fact,' called government, may call itself a prince, an emperor, a czar, a shah, a mlikado, a sultan, a president, a Speaker of the House of Representatives. Whatever it is and whatever shape it comes whether it be angel or devil, its peculiarity is that it exists and maintains itself and exercises its authority outside of and upon the people governed. Did space permit I should gladly summarize the work of this monstrous thing among the nations of the earth. History is replete with the story of the abuses, cruelties and tyrannies of the fact called government. It is composed also of the ignorance, superstition, and horrid profanation of the truth done in the name of government. It is composed of the inhumanity and cunning and mock religion which government has practiced. It is composed of the insatiable ambition and gilded pretense and pampered obesity which have been the most conspicuous signs of government. Government has killed one-third of mankind, starved another third into specters, and reduced the remaining third to slavery.

Two girl bandits with painted cheeks, blue eyes and yellow bobbed hair, robbed Mme. Amelita Galli-Cursi opera diva, of jewels valued at \$45,000 the other day near Los Angeles. We've often wondered why get-rich-quick people didn't spend their money buying a farm so it would be safe—as nobody wants a farm. This was such a bold robbery that it was more than was expected in movie-land. It is understood that a collection will be taken to purchase Mme. Cursi \$50,000 worth of jewels and a poodle dog by the fool American people. It is understood she already has a husband but he doesn't count for anything.—Bryan Eagle.

The above is sufficiently explanatory in two places why such sums of money is not invested in farms; the first is that nobody wants a farm, therefore the unfortunate madam who lost the valuable jewels is only one of the enormous number who follows her practice. The second is, the farm, like the lady's husband, doesn't count for anything, more than a place of sojourn, for every conceivable means is employed by the sharks and crooks to deprive the producer of the world's subsistence of everything but a mere existence, therefore the attractions offered by the farm are not so enticing. The madam cannot be blamed for the lavish expenditure of her "easy money," but the poor ignorant Americans who are campaigning for funds to replace her losses brings out more forcibly the accusation that American fools are the biggest fools on earth. In other days, when farm products represented their real worth, the value of which was received by the producer, farming was followed as a business, and enjoyed by the farmers, but since there is no more profit either to the farmer nor the land owner, neither owning a plantation or cultivating it counts for more than is expressed of Mme. Galli-Cursi's husband. The condition is regrettable of course, and our advice to both the madame and the farmers, and all, would be: "Be careful to whom you intrust your valuable interests, and in the future watch your step."

Representative Blanton has again aggravated his colleagues to such an extent that he has secured front page space on every newspaper in the country. Every time he is denounced in the House he gets a million dollars worth of free publicity, and Blanton takes to publicity like a duck takes to water.—Brownwood Bulletin.

That is exactly the trouble in Congress today, and as long as our people cast their voting power against mental strength and efficiency, for the sake of electing a polly wog, they need not expect more than they are receiving. Blanton is as fond of cheap notoriety as a duck is a mud-puddle, and as long as he appeases his desires for the publicity he is now receiving he cares not what his constituency suffers. It requires a man of brains, (not gall,) courage, (not cowardice,) to fill a seat in congress, and the man who deals with the trifling matters, and of no importance to the people who elected him to safe guard their interests, usually make the same mess of affairs as is recorded against Blanton's tenure in office, therefore consider the ability of the man, and his courage to defend the people's rights before you cast your vote in the coming primary.

ROUND ABOUT TOWN

As the writer was passing over town this week, talking along different matters with the business men, and citizens, we were very much impressed with the optimistic spirit that prevails at this time among our citizens. In the past it was not so encouraging when you approached one relative to opinions as to the future outcome, but all doubt seems to have faded into the forgotten past and our people are now centering their minds on Comanche of other days when prosperity prevailed throughout the country, and hope to overcome the inconveniences experienced here of recent months.

Prosperity and public improvements appear to be the main discussion on almost every hand, and a feeling of good cheer prevails among our people. Politics does not seem to have edged its way into their very sincere consideration, although some discussion is heard occasionally, and while it appears that the majority of the voters have already selected their choice or refrain from committing themselves at this time.

It is always well for a citizenship to consider early, and well their political choice, but it seems that even the candidates are giving more attention to advancement of community interests than they are devoting to their campaign, and working in harmony with the best efforts of all. Comanche should receive the benefits that always follow such valuable service, and as you go along pay close attention to the advancement of the town, and note such improvements as are made and speak a good word for Comanche and Comanche county where ever the opportunity presents itself.

Do you know that it is impossible to order a top cover from any factory that will fit your car, the reason is, that the top bows do not retain their original shape and every top cover must be fitted on the bows before it is sewed. If you want a top that fits, and it must fit or it will not last, take your car to Kilpatrick. 35-36

HI SKOOL NOOS

Comanche Again Victorious.

The Indian Track Squad took off the honors in the district meet by a large majority. The majority in points ran, Comanche 57; Eastland 25, Hamilton, 24. The squad took places as follows: Merritt, High point winner, took first place in Broad Jump, Half Mile, Took 3rd in vaulting and ran in the relay.

Mayes took 1st in 220 low hurdles and 3rd in High hurdles.

Couch took second place in shot put. Sullivan took second place in mile run.

C. Boyd took second place in 440 yard dash and ran in relay.

W. Boyd took 3rd place in the discus.

Montgomery took 1st place in the discus throw and ran on relay team. Kelly took 1st in 440 dash, 3rd in 100 yard dash and ran in relay.

This year's track team is the best balanced team we have had in years. They won for Comanche the first district meet since 1916, and they won it by an overwhelming majority. They deserve credit folks, they are putting Comanche on the map.

Medals Awarded.

Medals were awarded the winners of 1st, 2nd and 3rd places in the district meet held here Saturday. A beautiful Silver Loving Cup was presented to the winning relay team which of course was from Comanche.

Fred McMichaels was the victim of a disastrous fire in Fort Worth last Friday in the business district and was buried Saturday. He was caught under a falling wall of an automobile works. A fireman was also caught under the same wall, but it is thought he will recover. A large number of cars on the second floor of the building and several of the ones on the first floor were wrecked. Several firemen barely escaped serious injury in climbing the two story brick and sheet iron building.

CENTRAL CHRISTIAN
CHURCH AND SUNDAY SCHOOL

Last Sunday was a great day with us at Sunday school.

We had 125 reported present and 7 on the Cradle Roll records.

"Wisdom" is the principle thing, therefore get wisdom, and with all thy getting get understanding.

Take fast hold of instruction, let her not go; keep her, for she is thy life.

But the wicked shall be cut off from the earth, and the transgressors shall be rooted out of it.

Turn you at my reproof, behold, I will pour out my spirit unto you, I will make known my words unto you. My son, forget not my law; but let thine heart keep my commandments.

Folks, the Lord's Book said all these things and these words are pealing forth in great sound to every one in this land today.

You are asked to measure up to these measurements and make your paths straight for some little child or one of your associates is patterning after your life and if they are eternally lost, greater is your sin.

At Sunday School (the power House of God) is the place for every one to go once a week to keep in tune with God and receive instructions and power for another week.

Dr. Klingman will give another lecture Sunday at 10:00 A. M. Before his big adult Bible class and we want 100 there. Don't miss this lecture.

The Young people's class is growing by leaps and bounds and we want to fill their upper room next Sunday. Come on young people and let's have 50 in this class Sunday.

The Campfire girls class beat the Boy Scout class last Sunday in attendance and we want 25 girls from 9 to 13 years of age in the Campfire girls class Sunday.

Say boys of Comanche, all of you fellows from 9 to 16 years of age, come Sunday and join this big Boy Scout class and let's have 40 in this class.

Parents please bring all your little fellows to Sunday school and turn them over to Mrs. Vaughn and see how happy you will be when they tell you the story of Jesus they learned at Sunday school.

From this time on we will begin our Sunday school program at 9:45 A. M.

Come Sunday at 9:45 A. M. sure.

BOBBED HAIR FOR CHINESE
GIRLS IS VERY UNPOPULAR

Philadelphia, Pa., April 15.—Bobbed hair and short skirts for Chinese girls in America do not meet with the approval of Chinese if criticisms directed at the styles of delegates attending the convention of the On Leong Merchants association here indicate the general sentiment of their countrymen.

Wu Sing of Chicago, leader in the movement against too much modernism in dress, told Tong men that the Oriental girls in affecting modern styles were breaking away from the traditions of their forefathers dating back thousands of years.

It said the Chinese here do not oppose mental and social progress among the girls, but did oppose them affecting ultra-modern mannerisms and forgetting the teachings of their ancestors.

EASTER PROGRAM AT

- (15.) Benediction—Pastor.

A dispatch from a Missouri town tells of a student of a certain Missouri university being refused the right, or license to preach the word of God because he was unable to give a vivid description, and satisfactory explanation of the horrors of hadese, the study of which the student no doubt overlooked, or being of the old faith, that it is proper to preach of the glory and happiness of Heaven rather than the horrors and toroures of hell. He probably gave his full attention to the former method of preaching and teaching, following the early instructions he received at his mother's knees, that we should follow the word of the eternal Father through love and affection rather than because of the fear of the punishment of a sizzling so-journ in a hell of lucifer fire if we ignored the promises of God.

Prospects are indeed good. Grain is said to be showing up nicely. Corn is doing well, and over 200 acres are being planted to truck crops, the best fruit prospects for years, a greatly increased amount of poultry, both chickens and turkeys, and a first class season in the ground to bring on the row crops and cotton. Come to Hico.—Hico News-Review.

Sure, go to Hico, Hamilton, Stephenville, Dublin, Gustine, for if you cannot get a location in Comanche, get just as close to Comanche as possible, for she is the queen of the entire Southwest.

GUSTINE NEWS

(From The Tribune.)

The Cash Store at this place made a voluntary assignment this week, naming the Cooper Grocery Company of Waco as preferred creditor. G. W. Smith of the Cooper Grocery Company has been named as trustee and an inventory is being taken of the stock. Just what disposition will be made of the stock has not been announced. The many warm friends of Messrs. M. A. Catter and W. A. Kee, former proprietors, regret very much that this step had to be taken. It is a great loss to them personally, and this firm will be a distinct loss to the town. It is to be hoped that satisfactory adjustments may be made for their resumption of business in Gustine.

W. H. Young suffered a partial stroke of paralysis last Friday night. Mr. Young has been suffering from a continuous headache for several weeks and last Friday night he went out to his mother's in the Swan Hill community to spend a few days recreating. After supper that night the stroke came on him, affecting the right side of his head. He regained himself enough however, to be able to return home yesterday, and he is hopeful that he will soon be all right. His many friends all over this section will join us in the hope that he will soon be his old self again. Not any man in this section enjoys the fellowship of more real friends than "Uncle Bill Young." Mr. Young is high in his praise of the good people of Swan Hill for their courtesy and kindness while out there.

Last week closed the Gustine public free school. On account of insufficient funds the free school could run only seven months. Taking everything into consideration, we pronounce it a success. There were many difficulties to overcome which are familiar to at least the patrons of the school, and need not be discussed. Some of the difficulties could not be overcome and consequently the highest success could not be attained.

Mrs. Lydia Honea received a letter from Mrs. H. S. Watson, of Matador, last week, and she mentioned that her daughter, Frankie, had won the championship in a county contest in spelling. Out of six hundred words Frankie missed only two. That is what we call a remarkable record. Frankie's many friends here will be glad to learn of her success.

With the new issue of Treasury Savings Certificates, registered series yielding a higher rate of interest—if held until maturity—than any other Government obligation now obtainable on the market, investments in these securities locally are perceptibly increasing, according to Postmaster J. C. Henderson.

"These securities are issued in three attractive denominations, and are discounted to sell at \$800 per \$1,000; \$80 per \$100; \$20 per \$25.

"Held for a period of five years, Treasury Savings Certificates return a total yield of 25 per cent for the period; or, in other words, every dollar invested in this security increases itself by one-fourth in five years," the postmaster pointed out.

"The following tabulation gives investment yield information in Treasury Savings Certificates asked for almost daily by patrons of this office. \$4,000 invested in Treasury Savings Certificates purchases five of the \$1,000 Certificates and becomes \$5,000 at the expiration of five years; \$3,200 increases itself to \$4,000; \$2,400 to \$3,000; \$1,600 increases itself to \$2,000; \$800 becomes \$1,000; \$80 grows to \$100; \$20 increases itself by one fourth and becomes \$25.

"These securities are not subject to any market fluctuations; and when they are sold, the Government gives the purchaser complete protection in the event of loss by theft, damage or loss in any other way whatsoever.

"This security is a direct obligation of the United States Government; runs for a period of five years from date of purchase, but it may be cashed at any time before maturity, in which event it yields the purchase price plus accrued interest at the rate of about 3-1/2 per cent, compounded semi-annual.

These securities are obtainable from the local office in three denominations \$1,000, \$100 and \$25; however, no person will be permitted to buy more than \$5,000 (maturity value) in his own name."

A few weeks ago there was a clean-up and paint-up campaign started in the United States by some enterprising person, or probably committee, which, according to information from over the nation, shows to have attracted the attention of more than 7,000,000 persons who have begun to show an active part in the movement and are making a general spring clean-up and paint-up as a result of the appeal. Health authorities declare, and give statistics to prove that it costs about three or four times as much to stay in a dirty and unsightly condition as it does to be clean and more presentable, therefore every town in the Union should join the clean-up and paint-up campaign which is just now developing into reality, and add to the beauty of their property as well as preserving same and enhancing the value.

We are sorry that we do not have more room to tell of the reduction, but the Chief has been reduced to one dollar per year.

A Life Saver of Shoes

Many things are done here that save the life of shoes other than half soles or sewing a patch on them. Have you shoes with high tops and French heels, good shoes, but very much out of style, why not have the tops cut off and make low shoes of them; have the French heels removed and bay Louis or military heels put on. There are a lot of ways in which you may be able to save the life of your shoes. Consult me regarding any shoe ills.

From Answers, London: Hubby was reading aloud from the newspaper to his wife. Now and then he paused and asked a question, but her replies indicated that she was not listening very closely. When he reproached her she indignantly retorted that she was listening most intently.

He continued reading for a few minutes, and then, seeing a far-away look in his wife's eyes, he began to read as follows:

"Last night, at about 2 o'clock in the afternoon, a few minutes before breakfast, a hungry boy, about 60 years old, bought an orange for a dime and threw it through a concrete wall twenty feet thick. With a cry of despair he jumped into a dry millpond, broke his arm at the knee joint, and was burned alive.

"It was only ten years after, on the same day and at the same hour, that a goat gave chase to six elephants just as a high wind began to blow, killing three dead horses and a nickel cigar that has just come out of the hospital."

"There what do you think of that?" cried hubby as he finished reading. "I think it was a splendid bargain, dear," said his wife. "You had better get half a dozen, as your stock of shirts is running low."

COMANCHE TRACK TEAM
MAKES GOOD SHOWING

The athletic events of the District Meet which was postponed on April 8th on account of bad weather, was held in Comanche last Saturday and practically all the contestants were on hand to take part in the contest. There was a good crowd present also to witness the events, and all seemed to enjoy the occasion very much. All the energy necessary to accomplish satisfactory results for the Comanche team was exercised, and our boys copped a majority of first places of the day's exercises.

Hamilton was a close second, and the boys from our neighboring city were full of determination, but were not able to cope with the superiority of Comanche's contenders, therefore were not as successful as they wished to be when they entered the field. The day was spent most pleasantly, every body seeming highly pleased, and there was nothing of an undesirable nature to mar the pleasures of the day, no accidents, but a day of real athletic sport and festivities that go to make such an occasion a pleasure for all.

There was great enthusiasm prevalent among each county represented, and great hopes were expressed for their success by those coming from other places to witness the affair, but all hopes were shattered when Comanche entered the field. There was no time lost in bringing the program to a close, although the greater part of the day was consumed.

COMANCHE SHOWS WELL
IN CLASS "A" FIELD EVENTS

Comanche entered the field with her contestants in perfect condition and fully confident of success, and at no time did the moral of any fall even to normal. They were full of enthusiasm throughout the day and all put forth their best efforts to accomplish the success characteristic with our town. The program opened with Class A in the field, beginning with Pole Vaulting, and which was decided in favor of Cisco, but the success in the following events was considerably mixed for a time which served to encourage all concerned to such a point that kept up the interest necessary to make the day a thrill, and was concluded as follows:

Pole Vault—
1. Garland Sheppard, Cisco.
2. F. A. Duke, Dublin.
3. Floyd Merritt, Comanche.
4. Robert Kelly, Comanche.

Broad Jump—
1. Floyd Merritt, Comanche.
2. Garland Sheppard, Cisco.
3. Gerwin Sanderson, San Saba.
4. Luther Woosley, Hamilton.

2. Maurice Stalter, Eastland.
3. Fred Mayes, Comanche.
4. Zip Smith, Hamilton.

Comanche Breaks Away
In Class A Track Events

The first part of the day's program was registered against Comanche, but our boys retained their hope and courage, knowing that the program was not half finished, and that they were better prepared to win in the following events, which required equal or more effort than the one just closed, and as the program continued the determination of our boys advanced also and it was here that Comanche began her best work and gained such a lead over the balance of the contestants that it could not be overcome, although the first two races went to Hamilton and Eastland, but were concluded as follows:

100 Yard Dash—
1. Zip Smith, Hamilton.
2. Winston Scurry, Comanche.
3. Douglas English, San Saba.
4. Robert Kelly, Comanche.

Comanche Makes 57 Points.
As will be seen Comanche was a little slow in gaining advantage at the beginning of the day, but as the program advanced interest in the meet grew, and our boys, confident of their success, lead steadily along, not allowing the standing of the score to interfere with their efforts to win, and at the conclusion of the program it was announced that Comanche had gained a lead over their opponents in the meet giving them double advantage, reaching a total of 57 points, with Eastland second with 25 points, and Hamilton third with 24 points.

Thus the field and track events closed and Comanche was declared the winner of the District Meet, which is an honor to be proud of by our entire citizenship, and which has not been accomplished before for Comanche for several years.

Individual honors were won by Floyd Merritt, having 14 1/2 points to his credit.

Rochelle won first place in class B, by 17 points, Brady, Indian Gap and Bangs tied for second place, all of

which made 15 points each, and Gustine made 13 points.

The showing made by the Grammar school students who entered the contest was a feature of the day, there being two entries and both of whom took first place in the events, which was pole vaulting, first place by Wilmerth Atwood, and high hurdles, first place gained by Felda Marshall, which gave Comanche thirteen points in the Class B honors.

Comanche will carry ten men to the State Meet at Austin this year, and we shall look for a pleasing report from them as they enter the events on both the track and field, as their records give them an advantage over many contenders for the state championship. Those who will take part in the State Meet at Austin are: Winston Scurry, Robert Kelly, John Sullivan, Fred Mayes, Clyde Boyd, Floyd Merritt, Curtis Montgomery, Preston Couch, Wilmerth Atwood and Felda Marshall.

Dallas, Texas, April 15.—Copies of the "home town" newspapers will soon be coming to all the veterans of the world war who are confined to hospitals away from home for treatments of sickness or wounds incident to war service, if the plans of American Legion are worked out. The Texas Department of the Legion are now taking a complete census of all ex-service men hospitalized in Texas, names will be turned in to National Headquarters where they will be sorted and refiled according to their home localities of the patients. The local posts in these "home towns" will be supplied with the names of buddies in all distant points and each post will arrange to see that this Buddy gets his home paper and at least one personal, newsy letter a week from some comrade that he knew at home. There are 11,000 local posts over the country combining in this effort to administer medicine of thoughtful kindness and it is believed that the newspapers gratis.

Farming, not mere pretense, is the order of the day in Comanche county these days, and when we say farming we mean all the word implies. The farmers are at work with all the force, and with an interest in the work far more enthusiastic than has been evidenced for many moons. They have both the season and the soil this year, and with present determination there is room only for success. Comanche county is inhabited by the most progressive and wide awake farmers of any county in the state, and when conditions promise even ordinary prospects their efforts do not cease. Not only in this immediate vicinity, but in all Southwest Texas the same report of improving business, contentment prevalent among the people, and all that goes to make an ideal surroundings prevail. That is the general report from both visitors, tourists and regular traveling salesmen, who carry the same glad news of the west to other parts of their territory where ever they go. Is this not good advertising for West Texas; could people ask more than a prosperous country for themselves and their neighbors, where peace and good fellowship reign supreme?

Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

Thedford's
BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which griped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."

PAINS SO BAD WOULD GO TO BED

Two Women Tell How Lydia E. Pinkham's Vegetable Compound Stopped Their Suffering

Iron Mountain, Mich.—"I had terrible pains every month and at times had to go to bed on account of them. I saw your advertisement and took Lydia E. Pinkham's Vegetable Compound with very good results. I can work all day long now at my sick time. You may use these facts as a testimonial and I am recommending the Vegetable Compound to my friends."

—Mrs. A. H. Garland, 218 E. Brown St., Iron Mountain, Michigan. Xenia, Ohio.—"Every month I had such pains in my back and lower part of my abdomen that I could not lie quietly in bed. I suffered for about five years that way and I was not regular either. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women, so I decided to try it. It surely has helped me a lot, as I have no pains now and am regular and feeling fine."

—Mrs. MARY DALE, Route 7, Xenia, Ohio. Lydia E. Pinkham's Vegetable Compound is a medicine for women's ailments. It is especially adapted to relieve women. If you suffer as did Mrs. Garland or Mrs. Dale, you should give this well-known medicine a thorough trial.

ARE OLD TIMES COMING BACK?

It looks like old times were coming back again when we see the railroads granting sure-enough "reduced rates" for large conventions, State Fairs, etc.

One of the first reductions of this nature is that just announced from San Antonio, where the Passenger Agents association held their meeting.

The association granted a rate of one fare and one-fifth for the Southwest Durbar, a big spring festival to be held in Dallas the week beginning May 21st.

The rate will apply going from May 20 and will be good returning up to May 29, a liberal limit of full ten days. If this kind of thing keeps on we may hope to see the regular fares reduced as the next step in the revision downward.

Some of the features of the Durbar at Dallas are said to be a band contest for amateur bands all over Texas with \$1,500 in prizes; two grand concerts with over 650 voices trained and a symphony orchestra; a pageant featuring our state flower, the bluebonnet, and entitled "The Durbar of the Flowers"; an electrically illuminated night parade consisting of floats, bands and delegations representing many Texas cities and towns; a world's championship Rodeo and Frontier Days celebration under the direction of Tom Burnett of Ft. Worth. Polo matches, golf matches and tennis tournaments for Southwestern championship and many more features scattered throughout the entire week.

HAZEL DELL.

Our school closed Friday with a Comanche stew and Easter egg hunt, as announced last week. Despite the high wind almost every one in the community, besides a number of visitors, were present. The egg hunt took place in the morning and at noon a picnic dinner with stew was spread on the ground. Immediately after noon the crowd assembled in the school building where they were addressed by Supt. Gantz and W. H. Gore. Prof. Harston also expressed words of appreciation to the patrons for their co-operation during the past term. The Hazel Dell girls then played a winning game of basket ball against the visitors.

As Supt. Gantz stated in his speech, the past years work has been one of the most successful we have ever had in our school and we feel that the teachers, Prof. Harston and Miss Ma-

ple are to be congratulated on their splendid success. Among the visitors from other communities were Mesdames, J. W. Applewhite and McDonald, and Misses McDonald and Applewhite of Gustine, Mr. and Mrs. M. C. Applewhite and I. D. Applewhite of Oklahoma, Mr. and Mrs. J. T. McDaniell and Mrs. Will Rambo of Baggett, and Misses Westmoreland and Hillhouse, Mr. and Mrs. C. L. Wyche and A. Bumgarner of Macksville.

Mrs. C. L. Wyche and baby of Macksville, spent several days last week with her mother, Mrs. Ina Harston.

L. T. Leslie and family, of near Sidney, spent Thursday night with Mr. and Mrs. Tol Carter and attended the stew Friday.

Will Thomas visited at Purvis Sunday.

Mr. Butler of Gustine attended Sunday school here Sunday morning and made an interesting speech on "Christian Union." He has consented to act as Superintendent of our Sunday school. The Sunday school appreciates Mr. Butler's interest and co-operation.

The young people enjoyed a party at the home of Mr. and Mrs. S. H. Priddy on Friday night.

Mr. and Mrs. Jno Williamson gave a singing at their home Sunday night. Plez Rankin of Edna was in the community Sunday evening.

Miss Eva Maple returned to her home at Gustine Sunday. Miss Maple won many friends here and we hope that she will visit us often.

Mr. Jno. Morris, who has been suffering with heart disease for several months, was much worse last week, but is slightly improved now.

The Intermediate class at Sunday school has entered the C. D. Q. plan contest conducted by the David Cook Publishing Company. The members are enthusiastic about the work to be done during the next six weeks and all are boosting for the new members and good work. Everybody invited to join.

The past week has been ideal weather for the farmer. Corn, maize and garden truck are looking good but latter than usual.

The school picnic at Sidney was attended by a large crowd and the features of the day were enjoyed by those present especially the lectures by Rev. Smith of Brownwood which was very appropriate for the occasion.

Nute Steel of Noodle came in Friday and remained with relatives and friends until Sunday afternoon.

Your correspondent has been confined to the House the past week caused from a spider bite on the hand.

A large number from here attended the District singing convention at Stephenville Sunday.

Abry Graham and Slider Jones at-

tended a party at Mr. Robert Jones Saturday night and report a nice party and a good time.

Misses Lennie Reece, Hazel Steel and Brother Ben accompanied Nute Steel on his return home Sunday afternoon as far as Brownwood.

A. A. Hilley was a Brownwood visitor last week.

We are informed that an oil company from Brownwood closed a deal Saturday with the people surrounding Uncle Mart Steels place to drill a test well beginning as soon as practicable.

J. B. Payne, County Commissioner, was in this locality one day last week looking after road matters.

Uncle Jim Moore of near Stag Creek closed a deal with R. W. Fielder for his interest in his father's place near Uncle Jim.

Rev. Scott of Gustine preached to a large audience here Sunday at 11 a. m.

Miss Lucile Easley of Fort Worth is visiting her aunt Mrs. K. D. Jones and other relatives.

Mrs. I. O. Boyd took suddenly sick Sunday evening and passed away at 11:30 Sunday night from heart failure. All the family were at her bedside when the end came except Bert, who resides at Abilene. She will be sadly missed by her family, her church and by her many friends, but we know she has just passed over the river that awaits the great eternal reunion. Her remains were laid to rest in Pendergrass cemetery Monday afternoon, Rev. Smith conducting the funeral services.

Wednesday May 3rd is set to meet and work Pendergrass cemetery. All interested please take notice and don't forget the date. Come and show your respect for those who have passed over the river.

FIELD SEEDS.

We have a big stock of all kinds of field seeds, and can supply you almost anything you want to plant. Our stock is fresh and the quality the best.—Todd & Jennings. 33tf

CREAMER.

There was church here Sunday afternoon. There was a large crowd and Rev. Boiles preached a fine sermon.

Mr. and Mrs. W. B. Barrett and son of Comanche visited Mr. Barrett's father and mother Sunday.

Mrs. Bill McCartney of Tye is visiting in the J. D. Pannell home.

Uncle Jap Creamer has returned from San Saba after a two weeks visit with his son and reports his health

better. We are sure glad for every one loves him.

Every one is rejoicing over the rain Sunday night. Thought Easter was going to be dry.

Mrs. Thurman Creamer of Waco met her mother Mrs. Bill McCartney here for a few days visit.

Wade Mercer gave the young people a singing Sunday night. A fine crowd present and good singing.

Every one come to Sunday school Sunday and bring some one with you and lets build up our Sunday School

Mrs. Chas. McCollum was hostess for the "Merry Matrons" bridge club on Wednesday afternoon. Decorations of red roses were used. Mrs. C. V. Caver made high score for the club and received a mixing spoon for her ability. Mrs. Eugene Neely made high score for the guests and received a box of lavender. Neapolitan ice cream and cake were served to the members and Mrs. Eugene Neely, Walter Montgomery, Gayle Atwood, Geo. Kearney and Miss Louise Burks.

Mrs. L. C. Chamberlain, dean of the economics department of John Tarleton College and vice president of the Texas Congress of Mothers, will address the Parent-Teachers Association and the public in general at the high school auditorium on Friday evening, April 21, at 8 o'clock. The subject of this lecture will be, "The Child Thon Gavest Me." Every body is urged to attend.

The "Why Nots" were entertained at the home of Mrs. O. C. Thrasher on Wednesday afternoon. Vases of roses and pink carnations formed the decorations. In the games of "42" Mrs. Will Roberson scored high for the club and Mrs. W. O. Hamilton made guest score. Plates were passed decorated with pink rose buds and holding dainty pink containers filled with strawberry ice cream and cake. The invited guests were Mrs. Marion Wilkerson, Jerome Kearby, Jim Moody, I. T. Clemons, L. J. Kittle, T. R. Holmsley, L. B. Thomas, O. W. Hamilton, J. D. Waring, C. P. St. Clair and Misses Velma Atwood and Guida B. Kittle.

Mrs. Mollie Godbold entertained a number of her friends on Tuesday evening at her home in West Comanche. Dancing, bridge and "42" furnished diversification for the evening. Sandwiches and iced tea were served to Mr. and Mrs. J. B. Chilton Jr., Mr. and Mrs. James Slack, Mr. and Mrs. Henry Moore, Mr. and Mrs. George Simmons, Misses Jeffie Thomas, Alice Ory, Louise Burks, Guida B. Kittle, Mary Reeves, Malcolm Shelton, Inez

Sullivan and Mrs. Mary Arthur, Messrs. E. P. Woodruff, Millard Coleman, J. H. Berning and William Chilton.

The Parent-Teachers association of the West Ward met in regular session on Wednesday afternoon. A delightful program was rendered by the pupils of Miss Mary Reeves, after which the elections of officers followed for the coming year, as follows: Mrs. E. E. Anthony, Pres.; Mrs. Jeff Reese, 1st Vice Pres.; Mrs. C. A. Greene, 2nd Vice Pres.; W. H. Carpenter, 3rd Vice Pres.; Miss Mary Reeves, Recording Sec.; Miss Hattie Brightman Corresponding Sec.; Misses Myrtle Martin's and Hattie Brightman's rooms tied for the picture.

Mrs. T. R. Holmsley was hostess for the "As You Like It" club on Tuesday afternoon. The rooms were beautifully decorated in vases and baskets of Carnations and American Beauty roses. In the bridge games Mrs. Walter Montgomery scored high for the club and was presented with a hand made handkerchief. Mrs. Irad Ransom made guest score and was given a lingerie set. The out of town guests, Mrs. Gib Callaway, J. B. Allcorn and Carl Nabers were each presented with bouquets of American Beauty roses. Cherry salad, minced ham sandwiches, cheese coffee and cake were served to the club members and Mrs. Cochran, C. V. Caver, Howard Kilpatrick, W. G. Dingus, V. L. Garnett, J. B. Chilton Jr., and Irad Ransom. Out of town guests were Mrs. Gib Callaway of Albuquerque N. M., J. B. Allcorn of Waco and Carl Nabers of San Angelo.

Little Miss Frankie Neil Palmer celebrated her seventh birthday with a party on Tuesday afternoon. A game in which the little guests were blindfolded and given a pair of scissors and led to a clothes line which was hung with gifts for all were given the gift they cut. All kinds of outdoor games were played. On being ushered into the dining room where the dining table was beautifully decorated in pink and white and had for a centerpiece a large white birthday cake holding seven pink candles, delicious ice cream and cake were served to the following: Sara and Rowena Dunlay, Ruth Small, Alice and Margaret Hamilton, Martha Jane Jes-

sup, George Victor and Carolyn Montgomery; George Simmons Jr., Frank and Esther Redwine, Lucile Yantis, Nan Shelton, Garrett Palmer, Madge Bradley, Lucile Donaho, Dora Jane Finley, Burna and Irad Cochran Jr., O. C. and Marjorie Thrasher, Susie Lou Cunningham and Anna Bell Allgood.

Mrs. Walter Montgomery entertained a number of her friends on Friday afternoon with a "42" party. Several exciting games were played which resulted in Mrs. Forrest McCutcheon being presented with a jar of talcum powder. Refreshments of orange sherbert and angel food cake were served to the following: Mesdames, Will Roberson, Hill Huddleston, O. W. Hamilton, Sid Cunningham, L. J. Kittle, W. T. House, O. C. Thrasher, Walter Durham, Howard Kilpatrick, Emil Welsendanger, L. E. Slider, Henry Gibbs, Day Emery, Barna Riley, Jack Stevens, Logan Ritchey, Mrs. Forrest McCutcheon of New York and Misses Dollie Paine, Guida B. Kittle and Velma Atwood.

One of the most enjoyable and cleverly arranged parties ever attended by a Sunday school class in Comanche, was the masked tacky party and circus parade given by Mr. and Mrs. C. P. St. Clair at their home, last Friday evening, in honor of the Wilson Fielder class, (the young people's class of the First Baptist Church). Mr. and Mrs. St. Clair, Mr. and Mrs. Jennings and Mrs. J. W. Reese, properly attired for the occasion, were in the receiving line. It was a sensation from the time the first guests began to arrive, dressed in their laughable costumes, until at a late hour, they bade their splendid host and hostess good bye. Theda Bara and Galli-Curci were present and in their "up to date" costumes and thrilled the audience with their golden notes. At the crack of the ring master, John Reese's whip, a parade of Barnum and Bailey's Star circus attractions marched in, headed by prancing Arabian steeds, Flora Dora the six hundred and sixty pound fat girl, and the Queen of Sheba, paraded in splendor before the eyes of the audience. The graceful Hula Hula dances from the South Sea isles danced in native costume, while the wild women from Borneo filled the house with their enraged shrieks. Contrary to the popular belief that the Siamese twins are dead, these famous sisters were displayed to the delighted onlookers, and George Walker, the celebrated tight rope dancer thrilled them with his daring stunts; Jumbo II the largest elephant in captivi-

ty and his keeper were favorite attractions. The clowns furnished much amusement throughout the performance. Maxwell Farmer celebrated evangelist delivered his famous A. B. C. sermon with telling effect. Music by Mrs. Charles McCollum, Misses Callie Rose Maddox and Truth Wetzel, added much to the pleasure of the evening. Ginger bread, gum drops and red lemonade were served to sixty-five guests. Prizes were awarded for the tackiest costumes to Rebecca Hill for the girls and George Walker for the boys.—Contributed.
